3

25X1A1. They indicate no changes.

25X1A2. Comment. Outgoing shipments dispatched by the GOFG fuel depot were last observed in late February 1952. . The depot was subsequently transferred to Strassgraebchen-Bernsdorf. 25X1A 25X1A It is assumed that the Dresden depot was turned over to German authorities. Therefore, it is worthy of note that fuel was delivered to the Soviet Army.

25X1A3. Comment. The traffic relations are known. Except for the shipments from Dresden which were commented on in Field Comment 2, no special operations were discernible.
